Body Weight (lbs.)	Dose (2x Daily)
Up to 150	1 Capsules (2 Daily)
200	2 Capsules (4 Daily)
250	3 Capsules (6 Daily)

Directions: Take on an empty stomach first thing in the morning, then 1 hour pre-workout or mid-afternoon. Do not take within 3 hours of bedtime. Has both immediate and cumulative effects that improve with continued use.

Warning: Consult your physician before using this or any dietary supplement. Do not take if you are pregnant or breast feeding, elderly or under the age of 18, chronically ill, or taking any prescription or over-the counter medicine, including but not limited to anti-depressants (such as MAO inhibitors), stimulants, allergy medications, and medications for high blood pressure or other cardiovascular conditions. Discontinue use if you experience dizziness, headache, nausea, or heart palpitations. KEEP OUT OF REACH OF CHILDREN.

Before beginning any program of weight loss, consult your health care practitioner. These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.
