

THE ALPHA AMONG NATURAL ANABOLICS

EVERYONE LOVES THAT “ALPHA MALE” FEELING: YOUR CONFIDENCE IS SKY-HIGH; YOU FEEL LIKE NOTHING CAN STOP YOU FROM GETTING WHAT YOU WANT. YOU’RE PUTTING ON LEAN MASS, GROWING, AND YOU FEEL LEGITIMATELY STRONGER. BUT LET’S FACE FACTS HERE: A LOT OF NATURAL MUSCLE BUILDERS CLAIM TO BE HELPING YOU REACH YOUR GOALS FASTER, BUT FEW DELIVER ON THESE CLAIMS. YOU FEEL A LITTLE BIT MORE AGGRESSIVE, MAYBE A TAD “FULLER,” BUT WHY AREN’T YOU NOTICING MUCH IN TERMS OF YOUR PHYSIQUE? **IS WHAT YOU’RE TAKING ACTUALLY WORKING OR IS IT SIMPLY A PLACEBO EFFECT SINCE YOU EXPECT SOMETHING TO HAPPEN?**

MAGNITROPIN®

BACK IN THE DAY, MOST PEOPLE KNEW WHAT THEY WERE GETTING FROM OVER THE COUNTER MUSCLE-BUILDERS. NOWADAYS THOUGH, YOU CAN’T BE CERTAIN IF THE “NATURAL ANABOLIC” YOU’RE BUYING IS ACTUALLY DOING ANYTHING AT ALL. **WITH MAGNITROPIN, YOU CAN BE ASSURED THAT YOU’RE GETTING MORE. YOU’RE GETTING SOMETHING THAT WILL REDEFINE HOW YOU VIEW THE NATURAL ANABOLICS CATEGORY.**

MAGNITROPIN™ Ingredients

PAEDERIA FOETIDA EXTRACT (20:1): Studies have shown this herb to have numerous benefits, including its use in Ayurvedic medicine as a sexual stimulant, and having a positive effect on sperm production and physical strength. Increases in lean body mass were also observed in clinical studies as well.

GENTIANA LUTEA EXTRACT (10:1): Also known as “bitter root,” this herb is often used as a digestive tonic, as it stimulates saliva production as well as hydrochloric acid in the stomach, gallbladder, and liver. This serves to potentially increase appetite.

CISTANCHE DESERTICOLA EXTRACT (20:1): This herb has shown to improve performance, muscle growth and recovery while boosting the immune system. It also mimics the effects of testosterone.

(-)-EPICATECHIN: This flavonoid has shown to reduce myostatin and increase follistatin in humans and has shown to increase strength and endurance.

You deserve to take products that back up their claims. Don’t take another “natural anabolic” and simply hope it will work; take a product you know will work and help you reach your goals. Feel confident that this product will help you achieve that alpha look to go with that alpha feeling.

TAKE A PRODUCT THAT LIVES UP TO THE CATEGORY NAME AND DOES WHAT IT SHOULD DO: HELP YOU DEFY LIMITATIONS.
