28/05/26 14:31		21.4	10	LH 8 FSH 11 680	

Instrument: Siemens Atellica

Notes:

My FSH, LH, E2 Are All on Different Pages Separately So I wrote Them In Myself Instead of Posting 10 PDF's

Due To So many Bloods Taken, They Didnt Include My First 2 on This Document So I Added Them Myself At The Top (First one Is Natty Bloods & second One Is Solo Enclomaphine Bloods After a Few Weeks)
